

City Tavern

Style in the city...

the intimate terrace wedding for twelve

(a very grown up affair)

A beautifully quirky alternative to a church, or registry office service. Our first floor terrace is licensed for marriages for the happy couple, plus ten guests.

Your marriage on the terrace and after show wedding breakfast on the mezzanine:

Meet and greet at the door of City Tavern. Your dedicated host will guide your guests to the first floor bar where the first (of many) glasses of champagne will be waiting for them. Once everyone has finished their champers and the registrar, plus of course the soon to be 'newlyweds', are ready, we will invite your guests on to the terrace for the ceremony.

Following the ceremony the wedding party will be welcomed to the mezzanine area where more champagne will be waiting. The tables will be dressed in white linen, with candelabras, chair bows and beautiful personalised wedding crackers, plus a white linen table for your wedding cake. This is the perfect opportunity for photographs and speeches before your luxurious 'sharing' wedding breakfast (and of course more champagne) is served.

Sample sharing menu:

Russian blinis with smoked salmon, salmon mousse and beluga caviar (12), plus a shot of premium Russian vodka

Grilled 'gold leaf' flatbread with olives and quenelles of goats cheese mousse, lambs lettuce and rocket salad with fresh figs and seasonal berry drizzle (v)

Freshly shucked Lindisfarne oysters (36) with sherry vinegar & shallot mignonette

followed by:

Vegetable and apricot tagine with 'jewelled' giant cous-cous (v)

Northumbrian beef wellington with fondant carrots and red wine jus, served with a truly great red: Chateauneuf-du-Pape

Then more champagne to toast the happy couple while they, and their best man/woman, delivers the speeches ahead of the cake cutting.

Next, more champagne (there's a theme appearing here), plus even more caviar: a chilled platter of beluga caviar with brown toast and lemon wedges.

Finally, our bar servers will make 12 very special cocktails for you and your guests which you will have created with your very own mixologist ahead of your very special day. These are served with a mini 'boozy' desert especially made to compliment your bespoke cocktail ...enjoy

The price of the intimate terrace wedding ranges from £2,995 to £4,995 depending on the champagne package chosen* (exclusive of the cost of your registrar from Newcastle Civic Centre to conduct the service). Please call to make an appointment to discuss your marriage and the various champagne packages available.
