Your marriage at City Tavern...

## *the library buffet wedding for fifty*

A beautifully quirky alternative to a church, or registry office service. Our first floor library is licensed for marriages (as is our first floor terrace for a small intimate service of twelve guests).

Your marriage in the Library:

Meet and greet at the door of City Tavern. Direct private staircase access to the library, where the seating will be arranged 'theatre style' facing the Tudor bay window and clustered chandeliers.

Following the ceremony the wedding party will be welcomed in the adjoining bar and terrace.

The library buffet wedding package for fifty includes:

Complimentary bottle of champagne for the newlyweds.

Choice of a glass of prosecco, red wine, fresh orange juice, or a large shot of scotch whisky for your guests.

A selection of canapés (based on one of each selection per guest):

Seared tuna & caviar tartlets

Asparagus wrapped in Serrano ham with mayonnaise dip

Blue cheese, pear & walnut tartlets (v)

Tempura king prawns with sweet chilli dip

Bruschetta with sun-blushed tomatoes, mozzarella & pesto (v)

Then the all-important 'after-show party'.

Once your guests have enjoyed their reception drink and canapés we invite them back into the library, where they will be greeted with a glass of prosecco to toast the happy couple. The top table will be dressed in white linen. Your wedding cake will be displayed on its own white linen table. This is the perfect opportunity for photographs and speeches before returning to the adjacent bar and terrace where your choice of five options from our fork buffet will be served to you and your guests.

*sample menu...*

Poached salmon with lemon mayonnaise

Rosemary buttered charlotte potatoes (v)

Thai green vegetable curry with sticky rice (v)

Spanish meatballs served in a rich red wine & tomato sauce

Rocket & black olive salad (v)
